

Betty Lilian Bush

27th July 1926 ~ 26th November 2008

*Do not look forward to the chances of this life in fear,
rather look to them with hope that, as they arrive,
God will deliver you of them.*

*He has kept you hither to, do but hold fast to His dear
hand, and He will lead you safely through all things and
when you cannot stand He will bear you in His arms.*

*Be at peace then, and put aside all anxious
thoughts and imagination.*

BETTY had an unshakeable faith and great courage in adversity, even in tragedy and sorrow at the loss of our son, daughter and son-in-law her faith never faltered. She fought cancer for 3 years and although suffering excruciating pain she never complained, in her words "It was a bit of a nuisance". She was a shining example to all who knew or met her, of courage and a dignified acceptance of the inevitable. I will love her always.
